## Healthy Balance Banana Oat Chocolate Chip Cookies

### Ingredients:

#### First Bowl: mix together

- 1  $\frac{1}{2}$  mashed banana
- $\frac{1}{4}$  cup natural peanut butter (I used crunchy and it gave a nice texture)
- $\frac{1}{2}$  Tbsp butter
- 1 Tbsp pure maple syrup
- $\frac{1}{2}$  tsp pure vanilla extract

#### Second Bowl: mix together

- 1  $\frac{1}{4}$  cup oats
- $\frac{1}{2}$  tsp baking soda
- 1/8 tsp cinnamon
- 1/8 tsp sea salt
- $\frac{1}{4}$  cup real chocolate chips

### Directions:

Preheat oven to 350 degrees and line a baking sheet with parchment paper. Mix both bowls of ingredients together. I mixed the "dry" ingredients into the wet mixture. Form your cookies and place them on baking sheet. Bake for 14 - 16 mins. Recipe should yield approx 12 cookies. Enjoy! J
